

**IN THE SPECIFICATION:**

**Please rewrite** paragraph [0054] so that it reads as follows:

[0054] Step S210: The principal information managerial section 23, when receiving the request for notification of changes in the principal information, registers the services 200A and 200B as event entities or listeners on the table 400 shown in FIG. 2. As a result, the principal information managerial section 23 waits for changes in the principal information.
